

Transforming the future

*'one child at
a time'*

Through the
**Transform Burkina
bursary scheme**
you can offer
the chance of an
education and
a brighter future
for a child in
Burkina Faso.

**TRANSFORM
BURKINA**

Tamara is a bright and articulate student at a rural primary school in Burkina Faso. She now has the opportunity to attend school and achieve her ambition, thanks to the sponsorship she is receiving through Transform Burkina's bursary scheme.

The eldest daughter of a family of subsistence farmers, Tamara's parents simply could not afford the modest costs of sending their daughter to school. However, following the support offered by a generous UK sponsor, Tamara now receives funding for her education in the form of books, exam fees, uniform and the gift of a nutritious school lunch daily.

There are many more students like Tamara in need of your help. **Could you offer £23 per month and be part of another child's chance of a brighter future?**

‘When I grow up I want to be a teacher and this is helping me to realise my dream’

‘Education is the most powerful weapon you can use to change the world’

Nelson Mandela

It is estimated that **70% of the population in Burkina Faso have never had the opportunity to learn to read and write**; through our bursary scheme, we are determined to begin to change that ‘one life at a time’.

Each student who we support through the scheme will be supported throughout their school education based on their individual family needs.

Each sponsor will:

- Be linked to an individual child in Burkina Faso.
- Receive a picture and introductory letter from their sponsored child and other correspondence* through the year.
- Be free to write to their sponsored child* via Transform Burkina.
- Receive annual progress reports and be notified if circumstances change for their sponsored child.

**French is the language of education and correspondence in Burkina Faso. However letters to and from the child you support can be translated into English. If you would prefer this option, please indicate on the form overleaf.*
